Dear Ny Form Troll Collector

You are registered in our list of members with this membership number: XXXX

During the last two years there have been less activity in the Ny Form Troll International Collectors Club, so it is a pleasure to be able to announce that from now on Brødrene Flaarønning AS will run the Troll club again.

As you maybe know we run the club from 1997 to 2001, and we are happy to be back again. We hope to breathe new life into the club, and we start with a new limited edition club troll.

In these days a new Club Pack is available at your troll shop. We hope that you appreciate it, and that you will enjoy the club again.

This troll you see here is The Troll of the year. I call it "The Troll with the lamp", and he really is a cheerful little fellow. You will of course find him in the new club pack, together with a new magazine and a new catalogue, and two cards for membership registration.

Since our list of members is a bit old, we hope that you will be so kind to check if your address is all right. If there is any misdirection's, please go online at <http://www.flaaronning.no/troll/address/> and give us your correct address for later letters from us.

We wish you a "trolley" welcome to the club, and hope that you will enjoy us again.

Greetings from

Marit Larsen
Ny Form Troll International Collectors Club
